

Assignment for class 7th
Subject : English

Q1: The poem (Pandemic) presents a world filled with fear and uncertainty. How do you think people found the courage to continue living normally during such difficult times?

Q2: Imagine you could travel 20 years into the future and tell your future generations about your experience of COVID-19. What would you tell them about the lessons humanity learned, and which ordinary activity—such as meeting friends, going to school, travelling, or shaking hands—would you value differently because of the pandemic? Explain why.
