

SOCIAL STUDIES – SKILL-BASED / CREATIVE ASSIGNMENT

Class: 7th

Subjects: Civics & Geography

Civics – Chapter 8: *A Shirt in the Market*

Geography – Chapter 8: *Jammu & Kashmir: Life and People*

Q1. Civics – A Shirt in the Market

Think like a researcher:

A shirt is sold in a market for ₹600. Many people are involved before it reaches the customer—such as cotton farmers, traders, factory workers, transporters and shopkeepers.

Task:

Draw a **flow chart** showing the journey of the shirt from **cotton** → **final customer**. Write **one role of each person involved** and explain in 4–5 sentences how the final price of the shirt is decided.

Q2. Geography – Jammu & Kashmir: Life and People

Think like a geographer:

Imagine that you are preparing a short travel guide for a visitor to Jammu & Kashmir.

Prepare a **creative one-page guide** including:

- Major geographical features of Jammu & Kashmir
- Important occupations of the people
- Food, dress or lifestyle of the people
- Any two important cultural traditions

Add a **small labelled sketch/map** of Jammu & Kashmir to make your guide attractive.
